

Where can I download Locus Map?

Google Play Store

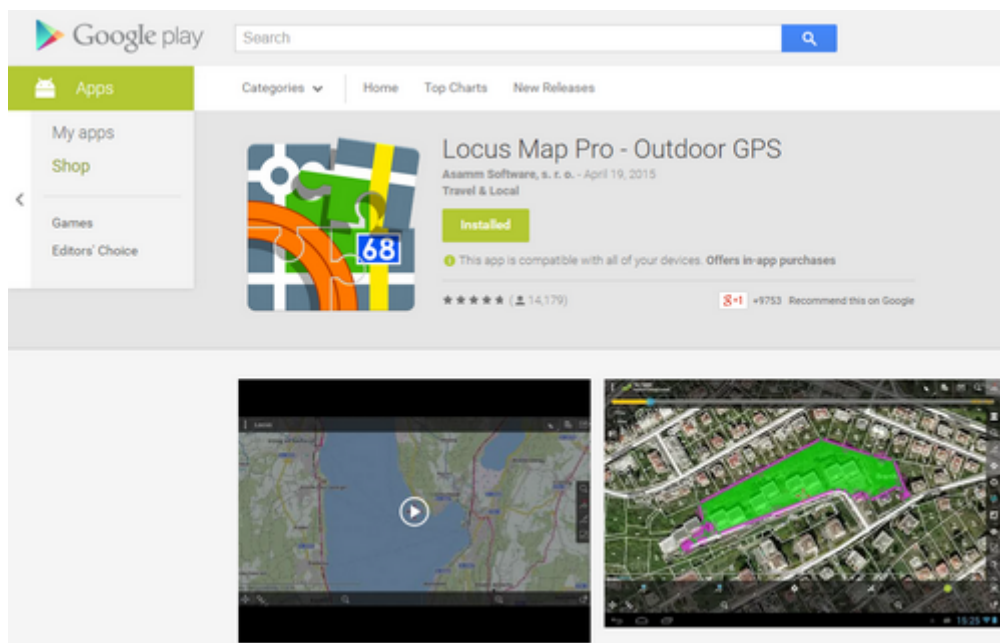

Obviously, as an android user you've got familiarized with **Google Play Store** and that's the primary place where you can fetch your **Locus Map**. Here's how we recommend to proceed:

Test it for free!

- download **free version of Locus Map >>>**
- try all basic features Locus offers!

Buy full version!

- if you liked the free version and want to have more, download **Locus Map Pro >>>**
- enjoy full featured application without limits.

Amazon Appstore

For those who don't favor Google and its services, we offer another place where you can get Locus Map - and it is the only chance for **BlackBerry** users: **Amazon Appstore**.

Get both the free version there:

- **Locus Map Free >>**

And also the full Locus Map Pro:

- **Locus Map Pro >>**

Beware!

- **Google** and **Amazon** accounts are not connected so **purchase on one of them can't be swapped or otherwise transferred to the other**. Whatsmore, Amazon policy of **All Sales Final** means no refunds in case you want to return the purchased app (Google provides up to a one-year money-back guarantee)
- **Amazon**, unfortunately, recently **stopped supporting some devices**
