

# Locus Store - User Profile

---

As any other internet shop also Locus Store is associated with the user through a user profile. The profile stores information about user's **credit, downloads, purchasing history**, and allows to buy **LoCoins** or use a **Voucher**. Locus Store is connected to your **Google Play account** and all payments are processed through it (even if you downloaded Locus Map from another source).

## User Profile Panel

- [Menu > Store > Top bar > User profile button](#)
- user's Google Play avatar, name, e-mail and current LoCoins credit
- **Purchase LoCoins** - opens offer of LoCoin packets, see [LoCoins >>](#)
- **Use Voucher** - your credit can be charged also by a **voucher** that you may receive in various promo actions. Also a particular product can be delivered through a voucher. This is the place where you insert the voucher unique code to get the benefits included. The vouchers are sent via e-mail.
- **Current downloads** - opens a list of currently downloaded products
- **My history**
  - *LoCoins income* - history of your LoCoin bundle purchases
  - *Locus Store purchases* - a list of your previously purchased products
