

# Where can I download Locus Map?

## Google Play Store

Obviously, as an android user you've got familiarized with [Google Play Store](#) and that's the primary place where you can fetch your **Locus Map**. Here's how we recommend to proceed:

### Test it for free!

- download [free version of Locus Map >>>](#)
- try all basic features Locus offers!

### Buy full version!

- if you liked the free version and want to have more, download [Locus Map Pro >>>](#)
- enjoy full featured application without limits.

## Amazon Appstore

For those who don't favor Google and its services, we offer another place where you can get Locus Map - and it is the only chance for **BlackBerry** users: **Amazon Appstore**.

Get both the free version there:

- [Locus Map Free >>](#)

And also the full Locus Map Pro:

- [Locus Map Pro >>](#)

The screenshot shows the Amazon Appstore interface. At the top, there's a navigation bar with links for Departments, Your Amazon.com, Today's Deals, Gift Cards, Sell, Help, and categories for Appstore for Android, Underground Apps, Best Sellers, Deals, New Releases, Fire Tablet Apps, Fire TV Apps, Get Started, Games, and Amazon Coins. Below the navigation, the URL is Apps & Games > Transportation > Navigation. The main content is for the 'Locus Free' app. It features a large icon with a map and a 'FREE' badge. Text on the page includes: 'by Asamm Software, s.r.o.', 'Rated: Guidance Suggested', '4.5 stars (6 customer reviews)', 'Price: Free Download', 'Sold by: Amazon Digital Services LLC', 'Available instantly', 'This app needs permission to access: Access the list of accounts in the Accounts Service, Discover and pair bluetooth devices', 'See all Application Permissions', and 'Contact Developer'. At the bottom, there's a banner for 'Don't pay to play' with the text: 'Get 100% free lives, levels, upgrades, and more only from Amazon Underground. Learn more.'

### Beware!

- **Google and Amazon** accounts are not connected so **purchase on one of them can't be swapped or otherwise transferred to the other**. What's more, Amazon policy of **All Sales Final** means no refunds in case you want to return the purchased app (Google provides up to a one-year money-back guarantee)
- **Amazon**, unfortunately, recently **stopped supporting some devices**
