REC

How can I record my trip track?

Do you want to show the trip to your buddies? No problem with Locus Map:

- turn your GPS on. The GPS icon 🖤 must be green
- tap Menu > More functions and select Track recording. Tap the green button on the tracking panel and your track is being recorded. The recording panel can be slid back by finger and a small tab indicating the recording status remains visible on the left side.
 <html>

<<hr></html>
- you can see the tracking right on the map the 🖄 blue arrow is **drawing a line**.

when you get to the finish of your trip, tap the red V Stop button.

• name your trip or just leave it named by the date stamp. Select folder to store into and tap **Save**. Your trip is saved and you can boast with it to your friends.

Edit	🗸 save	:
NAME 2016-05-10 18:29:03		_
FOLDER	0 / 27	
Description		
STYLE ON MAP Folder	Simple color px	
Tap to edit track style	×	

• the track you recorded is saved in the **Tracks tab** that you can find in **Menu > Tracks**.

For more about track recording see the chapter Track recording.
