

SmartWach2 Add-on

About

- Add-on SmartWatch2 for Sony Smart Watch 2 wrist watch - it works as an extended screen for Locus Map application in mobile or tablet. You can control comfortably the most frequently used features by it:
 - start/stop/pause track recording
 - quickly switch between recording profiles
 - watch guidance on a target - switch between the compass and map view

Installation

- download and install from [Google Play](https://play.google.com/store/apps/details?id=com.lucusmap.smartwatch2). SmartWatch2 uploads necessary data automatically via Bluetooth
