

Store Full of Maps, Routes, POIs, Features and Graphics

Fix Me! IN RECONSTRUCTION Fix Me!

Locus Store is the place where you can get **content for Locus Map**. Content is provided either by us, **Asamm Software**, or by our partners - **map providers, guides or developers**. There are five main categories:

- **Maps**
- **Routes**
- **Points of Interest**
- **Features**
- **Graphics**

Some products in Locus Store are available for **FREE**, some are **paid**. All purchases in Locus Store are paid by our internal virtual currency - **LoCoins**. This currency can be bought in your **Locus Store User Profile** and the transaction is processed via **Google Play Store** or **Amazon**.

How do I get there?

Locus Main Menu

This way you get to the general Store screen where you can select among all products:

Map manager - online tab

This way you get directly to the selection of online maps:

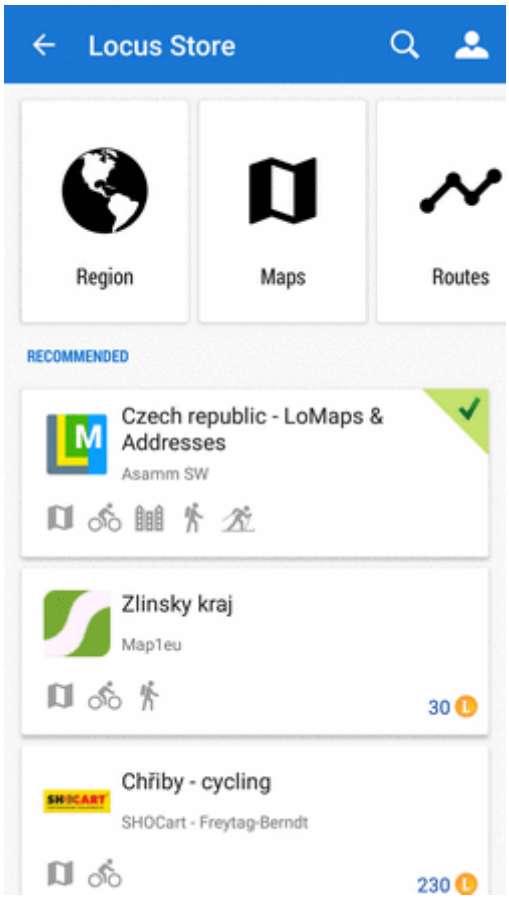

Map manager - offline tab

This way you get directly to the selection of offline maps:

How to shop in the Store?
