QR Code Generator

- This feature is available in Locus Map Pro only.

About

QR codes can be found almost everywhere nowadays. In shops, on tourist info panels, on business cards... Locus Map can create QR codes with text information, time stamp or a location stamp.

Instructions of Use

- 

Menu > More > QR code generator
- write **text** or tap + to select **time stamp** or **location**
- tap **Generate**
- select app to handle the QR code - to share it, send via e-mail etc.
