

# I need to use Locus Map Pro on a different phone or tablet. Do I have to buy Locus Map Pro again?

---

**No, you don't.**

Your **purchase of Locus Map pro is associated with your Google Play Store (or Amazon) account**, NOT with your phone or tablet.

- Add the Google Play (or Amazon) account, which you used for purchasing Locus Pro, into your mobile phone.
- Install Locus from your store. No price tag is displayed by the app, just **Install** button.

Should you have any difficulties, please contact us via [help.locusmap.eu](https://help.locusmap.eu). Inform us also about the details of the account, through which you have purchased the application. We will check the status of your purchase.
