

Locus Map SmartWatch2

(development terminated)

About

- Add-on SmartWatch2 for Sony Smart Watch 2 wrist watch - it works as an extended screen for Locus Map application in mobile or tablet. You can control comfortably the most frequently used features by it:
 - start/stop/pause track recording
 - quickly switch between recording profiles
 - watch guidance on a target - switch between the compass and map view

All add-ons need to be connected to Locus Map. **Switch the connection ON** in Locus settings > Miscellaneous > Connect with add-ons.

Installation

- **Download installation file** to your mobile phone.

- tap the APK file and **install**. Make sure you have other-than-GooglePlay sources permitted in your system. settings.
