Google Play Store and the only payment method is credit/debit card.

LoCoins Purchase

• LoCoins can be purchased in **pre-prepared packets only**. From 500 LC the packets contain also some extra LoCoins as a **bonus**. The bigger the packet, the greater is the bonus.

LoCoins can be purchased in the User Profile > Purchase LoCoins. The purchase is provided by

All purchases made in Locus Store are paid in **LoCoins** (LC). That is because some payments are so tiny that in EUR or USD they would be out of payment terms of Google Play Store and each item would require individual in-app billing entry maintenance which would be very time-consuming and

Other means of acquiring LoCoins

LoCoins can be obtained also via a **Voucher**. The Voucher is sent to a user via e-mail as a reward, a gift or in a promotion action. Voucher contains a unique code that is entered into the dialog in User profile > Use Voucher. After entering the code the LoCoin credit is charged by the given amount. The only authority to send Vouchers is Asamm Software, producer of Locus Map.

Terms of Use

- LoCoins are not transferable, can not be subject of lending or further re-selling
- LoCoins are valid only for Locus Store, they are not enlisted as an official currency by any financial authority
